DETAILED ACTION

Response to Amendment

Amendment filed 10/24/06 forms the basis for this office action. In said Amendment applicant substantially amended claims 23-27, 29 and 31-42 at least through substantial amendment of independent claims 23 and 29 and through substantial amendment of dependent claims 39-42.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with A. Rosner on 1/5/07.

The application has been amended as follows:

1. In Claim 23, lines 8-9, the wording "a single layer" has been replaced by: "one single-crystal layer".
2. In Claim 29, lines 9-10, the wording "a single layer" has been replaced by: "one single-crystal layer".

REASONS FOR ALLOWANCE

Claims 22-42 are allowed.

The following is an examiner's statement of reasons for allowance:

Art Unit: 3663

For claims 22, 28 and 30 see pages 10-11 of the office action mailed 3/23/05.

For claims 23 and 29 and dependent claims: *strictly within the context of the invention as otherwise defined by either claim 23 or claim 29*, one single-crystal BP-based buffer layer forming a junction interface with the single-crystal substrate and having a second opposing interface with the lower clad layer has not been found in the art and is not obvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Johannes P. Mondt whose telephone number is 571-272-1919. The examiner can normally be reached on 8:00 - 18:00.
